

# The Five Boro Electrical Contractors Association

The Five Boro Electrical Contractors Association of New York represents all facets of the electrical contracting business in New York - from electrical contractors to lighting manufacturers to electrical supply houses and more - we're populated by a progressive-minded, cross section of professionals.

**We invite you to advertise with us and become part of our dynamic organization.**

We offer a high-value "combo ad" where your company will be seen on our website and in our newsletter, which goes out to several thousand local industry professionals 2-3 times/month with new content each time. You can also arrange to join us at any General Meeting as a guest speaker or, for an additional \$50, you can set up a table and meet our many attendees.

For more information, including payment options, contact [fiveboroelectric@gmail.com](mailto:fiveboroelectric@gmail.com) or **718.846.1102**.

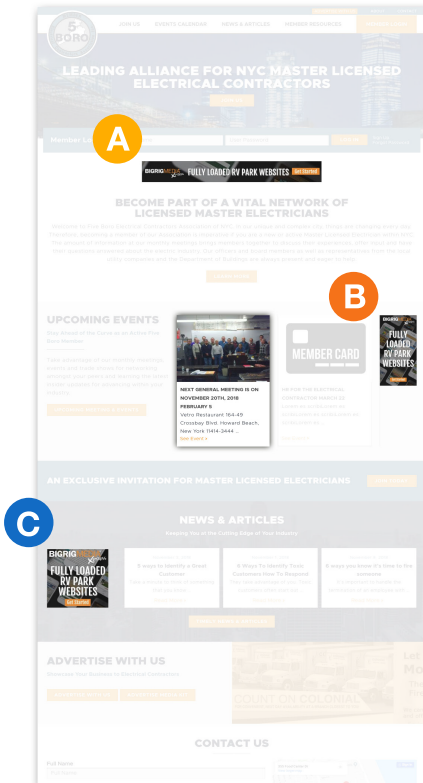

**Thomas Berger, President**
